

**Directions to the Pajaro Valley Community Health Trust**  
85 Nielson Street, Watsonville, CA 95076 (831) 761-5639

Take **Highway One South** to the Airport Boulevard/Freedom Exit. Turn left onto Airport Blvd. At the second stop light, turn right onto Nielson and take an immediate right into the driveway of Watsonville Community Hospital.

As you drive toward the main entrance of the hospital (look for the large palm trees) you will see a smaller building directly across the drive. This is our building at 85 Nielson. (See side 2 for detail.)

The Kathleen A. King Community Room entrance is at one end of the building, across from the main entrance to the hospital, while the Pajaro Valley Community Health Trust's door is at the opposite end of the building.
