**Watsonville, CA**– Community Health Trust of Pajaro Valley Board of Directors and Staff are pleased to award \$46,200 in scholarship funds to 22 students pursuing careers in Nursing, Dental Hygiene, Radiology Technology, and Medical Assisting at Cabrillo College.

These funds, generated by an endowment established by the Eiskamp family in 2019, honor the legacy of Dr. Ehler H. Eiskamp, a physician who practiced medicine in Watsonville for nearly 60 years and believed strongly in supporting the pursuits of local aspiring healthcare professionals.

“These funds will help develop new generations of healthcare professionals in our community, which is a major priority for the Community Health Trust,” says Community Health Trust Executive Director, DeAndre’ James.

CHT, along with Cabrillo College and the Eiskamp family, would like to congratulate and wish our recipients the best in all their future academic and career endeavors.
