Watsonville, California – Community Health Trust of Pajaro Valley (CHT) in partnership with the City of Watsonville, held the first ever Rally in the Pajaro Valley, a fundraising softball tournament on Saturday, August 21 – Sunday, August 22 at Watsonville High School.

The softball tournament was well received, with participating teams playing competitively throughout the weekend to the delight of their fans. As a result of the outpouring of support for the event, CHT is pleased to announce funds raised amounted to a \$1,000 donation to the charity of choice of the participating teams, Azteca's Youth Soccer Academy. "Azteca's is changing the lives of at-risk youth, providing them a healthy, positive outlet. CHT proudly supports this organization." said DeAndre' James, Executive Director for CHT. "We are pleased with the outcome of our event and have received positive feedback from attendees. I look forward to next year's Rally in the Pajaro Valley Tournament."

"The community really came together to make the event a success," said Bibianna Rocha, CHT's Coordinator for the Rally. "We had lots of fun planning and participating in the tournament. I am excited to expand this event and continue to raise non-profit awareness in the Pajaro Valley."
