Community Health Trust's Wine & Roses is Moving Indoors

Taking precautions against inclement weather and COVID-19.

Watsonville, California – Community Health Trust of Pajaro Valley is looking forward to holding its annual celebration and fundraising event, **Wine & Roses**, on Saturday, November 6 from 3:00 PM – 6:00 PM at the Santa Cruz County Fairgrounds.

The event was originally planned to be held outdoors but with an increased chance of inclement weather, low viral transmission, great progress in vaccination rates in Santa Cruz County, and support from our participating wineries and food vendors -- **we are moving Wine & Roses inside to the Crosetti Building at the fairgrounds.**

As a nonprofit organization focused on health and wellness, it is important to CHT to take proper precautions to enjoy the event in a safe manner. As such, CHT is taking the following steps:

- All attendees and participants are expected to be fully vaccinated with proof of vaccination or a negative COVID test obtained no later than 72 hours ahead of the event
- There will continue to be some covered outdoor seating, weather permitting
- All doors to the building will remain open before and during the event to maximize airflow
- Masks and hand sanitizer stations will be available

"We are trying to be as conscientious as possible with the planning of this year's event," said DeAndre' James, Executive Director of the Community Health Trust. "This year has been all about pivots, contending with the latest state of COVID-19 and now the weather, resulting in this hybrid model."

For any individuals that have already purchased their ticket and have questions, they may contact CHT via email at wineandroses@pvhealthtrust.org.

Wine & Roses admission tickets are still available at \$160 for a pair of tickets and \$100 for a single ticket and may be purchases online at pvhealthtrust.org/wineandroses.

COMMUNITY HEALTH TRUST

of Pajaro Valley

CHT appreciates the community's support and understanding and is looking forward to seeing everyone there.

Special thanks to Wine & Roses featured sponsors Palo Alto Medical Foundation and Sutter Maternity and Surgery Center, Santa Cruz County Bank, Salud Para La Gente, Santa Cruz Naturals, and Driscoll's.
